

Relocation of the office of Nobelpharma America, LLC

Nobelpharma America, LLC (“NPA”) has relocated its office on July 1, 2020.

NPA, 100% subsidiary of Nobelpharma Co., Ltd., was established in 2019 in the United States as the first step toward realizing one of our management policies: “launch business overseas”. NPA has been growing its team and is now functioning as an active organization in preparing the planned product launch. NPA decided to relocate from a temporary office to a new office aiming at more efficiency and better communication to further enhance its functions.
